

Neenah-Menasha YMCA | Strong Kids Program

Inspired by the ambition of YMCA members to help build strong youth, this display was created as an everlasting appreciation for their dedication. Once scaling was carefully determined, the graphics and copy were digitally printed on transparent Mylar film in an organized style to ensure appropriate recognition. Echoing the program's goals of strength, each clear acrylic section is mechanically fastened and mounted flush to the wall.

CLIENT

Neenah-Menasha YMCA
Sue Pawlowski, Membership/Community Relations Director
