

## Recognition Applications | Prestigious Naming

Our Prestigious Naming options provide just that, impressive and prominent recognition to individuals or organizations that contributed at premier giving levels. The most common recognition for Prestigious Naming comes in the form of flat cut dimensional letters. With an aesthetic value that is entirely customizable and one-of-a-kind, our dimensional recognition letters provide your donors with a high profile image - every time.

*"The past performance of SignElements on the Fox Cities Performing Arts Center in Appleton reinforced my confidence they would deliver to our expectations for the Long Center in Austin, Texas. We have similar personalities, work ethic and attention to detail. From initial drawings to meticulous fabrication and installation, SignElements delivered what they promised. My relationship with SignElements is solid with the completion of two successful performing arts center projects."*
